## Estate Bequest Designation

You may provide an estate bequest to HCH in the form of cash or a percent of your estate. A minimum of \$10,000 or a percentage of your estate equaling that amount is required. You may specify a particular usage of your estate bequest to HCH or allow HCH to best utilize the funds upon receipt.

I/we have included Happy Cats Haven (HCH) in my/our estate plan and am advising HCH of the intent to make an estate gift with the following provisions (check one):

I/we have provided a bequest of \$\_\_\_\_\_ to Happy Cats Haven

I/we have provided \_\_\_\_\_% of my/our estate to Happy Cats Haven

I/we would like this bequest to be utilized as follows:

Allow HCH to best utilize all the funds upon receipt

Use the funds as specified below:

% toward \_\_\_\_\_

% toward \_\_\_\_\_

% toward \_\_\_\_\_

% toward \_\_\_\_\_

\*Must add to 100%. One option is to have a % of funds to be used at HCH discretion.

Please make sure to give us a copy of your estate plan to keep on file, and notify us of any subsequent changes to that plan.
